**Director, Supply Chain Management
For: COUNTY SECRETARY
21.01.2025**

2.0. EVALUATION CRITERIA

2.1: Preliminary Evaluation

Upon opening of tenders, pursuant to section 80 of the Act, the evaluation committee shall first conduct a mandatory evaluation to determine if the tenders meet all the below specified requirements;

2.1.1: Mandatory Requirements for all Parcels

- a) Copy of **National Identity Card** of the registered land owner/ **Registration Certificate in the case of an entity**
- b) Copy of **KRA P.I.N** of registered Land Owner /Copy of KRA P.I.N certificate for registered entity
- c) Copy of the Title Deed for the Land Parcel in the name of the bidder / proof of ownership and copy of **Current Search or letter of Authority to the County Government to undertake a search**
- d) **Copy of relevant survey map or Authority to obtain the map**
- e) **Indicate telephone number and contact address**
- f) Where the bidder is a Land Agent, **proof of authority to act** should be attached.
- g) Where the land is registered in more than one name, **proof of authority to act** from co-owners should be attached.
- h) Where the land is registered in the name of an entity, **proof of authority to act** on behalf of the entity should be attached

2.2: Technical Evaluation Criteria

2.2.1: Upon completion of the preliminary evaluation, the evaluation committee shall conduct a technical evaluation by comparing each tender to the technical requirements of the parcels of land against the set technical specifications.

2.2.2: Each tender shall be evaluated independently in accordance to the relevant technical requirements.

2.2.3: The evaluation committee may reject tenders which do not satisfy the technical requirements under Sub-Regulation (2.2.1) above.

Table 2.2 D: Technical Specifications

NOTE:

Technically responsive applicants will be issued with bid documents and/or invited for negotiations.

2.3: FINANCIAL EVALUATION

Financial evaluation shall not be conducted at this stage but upon completion of the technical evaluation under 2.2 above, applicants found responsive shall be issued with bid documents where they will be expected to provide prices of the land parcels.

2.3.1: Land Valuation

Technically responsive parcels shall be valued by an expert from the County Government of Siaya. This shall form the basis of any negotiations.

2.4: POST QUALIFICATION

Pursuant to section 2.3 above, the CGS may, prior to the award of the tender, confirm the parcel technical conformance, of the tenderer who submitted the bid recommended by the evaluation committee, in order to determine whether the tenderer is qualified to be awarded.
